NOW FOR THE GREATEST SHOWING

In Men's, Youth's and Boys' Clothing,
Overcoats and Furnishings Ever As-
sembled in Paducah.

Our New Store Will be Ready in a Few Days

AFTER months of preparation, work and worry, thought and labor our new addition is, at last, near completion and in a very few days now we shall have the pleasure of showing you Paducah's, aye West Kentucky's, handsomest retail store--handsome in every detail. The store is rapidly nearing completion, but we cannot wait for it to announce our fall opening. The goods are all in and in our great desire to show you what we have assembled for this season we cannot wait longer, but extend you an invitation to come and see the greatest lines of the best products in Men's, Youth's and Boy's Clothing, Overcoats and Furnishings ever displayed in Paducah. It has taken months of careful, earnest selections to assemble the stock as we have and it is our belief we have never shown lines to equal those of this year. We have studied carefully the requirements of our trade and believe we have hit them off to a nicety. The new styles this season are handsome in the extreme. Ready-to-wear clothing has taken another long step toward perfection. For fit, style, fabric, comfort, wear and general finish our clothing and overcoats will compare favorably with the highest price tailors' products, and we merely ask an inspection to prove the assertion. The best dressers have found this true and you will find them wearing Weille Clothing. Why shouldn't they, when they save \$10.00 to \$15.00 on a suit? It will pay you handsomely to wear clothing purchased here. The styles are correct, the fabric are the best, and the price very reasonable.

Again we extend you a cordial invitation to inspect our stock and acquaint yourself with the fall styles. Our line of fall Hats is indeed swell. Just take a look through the Hat Department.

NEW FALL SHIRTS

The new styles and patterns in fall Shirts are "beauties" and reflect the best thought and workmanship of the age. The patterns are numerous and we commend our lines to your inspection while they are full. We will sell you the best shirt for one dollar you ever purchased, or we will sell you the best shirts that \$1.50 or \$2.00 will buy—Manhattan and Emery brands.

NEW FALL HATS

The day of the straw hat is past and it is time to think of a fall one. The new styles are very fetching, both in derbies and soft hats, and here, too, is seen the best products of the leading hat makers of the country—Dunlap, Young, Hawes, Stetson, in prices from \$2.00 to \$5.00. Then, too, we are showing the new styles in silk and evening hats. Come and see.

NEW FALL SHOES

These are cool days for low shoes—most of us have them on, too—and 'tis time to cover the ankles. We have our fall lines of Shoes—Shoes for every day, for work, for dress. Shoes from \$3.50 to \$6.00. Shoes from Stacy Adams & Co., Nettleton and other leading manufacturers. Walk in and walk out with a pair of Weille shoes and you will walk "easy" all fall and winter.

THE CITY WILL SOON BEGIN GETTING THE BENEFIT OF IT.

The sand for the filtration plant of the Paducah water company has arrived and has been placed in the plant.
This morning the water was started through it, but on account of preliminaries such as flushing the hydrants, etc., will not permit the city to get the full benefit of the plant for about a week.
Beginning with tonight Supt. Burnett will have every hydrant flushed and continue to do so all over the city until the mud gets out of the pipes. There are many little defects to remedy on the start, but everything will soon be all right.

CAIRO'S CLAIM

Labor Day Games Not to be Counted, They Declare.

The Egyptians are Dying Very Hard Indeed, It Seems.

The Cairo Bulletin of yesterday admits that Paducah is ahead of Cairo, so far as the official records are concerned, and gives Paducah 600 against Cairo's 585.
The Bulletin, however, says that if Cairo gets fair play the pennant will be hers for the following reasons:
"If the game in which the twin of Vincennes pitched for Paducah counts for the Indians they have won the pennant. If the constitution of the league counts for anything, and the game, in which Cairo pitched, counts for anything, then Cairo is ahead of Paducah, we get the pennant."
The second game at Paducah yesterday with Clarksville does not count in the percentage column, President Thompson, notwithstanding. Neither does the second game on labor day count.
"The game in which Goodwin pitched has been regularly protested, and will be decided by a board of arbitration consisting of President Thompson, a Vincennes man and a Clarksville man."
"That President Thompson would like to see the pennant go elsewhere than Cairo there is little doubt, but there is one hope that the members of the board from Vincennes and Clarksville will feel inclined to award the game where it properly belongs."
"The talk has been circulated and the report printed that the Evansville battery recently used by Cairo had been suspended and that the games in which they played would not count. It is true that Minor and Cross were suspended players, but suspension was raised before they played with Cairo."

The Cairo Citizen claims the pennant in this way:
"Here's the way we figure it. Only one game on Labor Day is counted; only one of the games that Paducah lost to Hopkinsville a few days ago is counted; only one of the games Paducah won yesterday from Clarksville is counted, and having out the 'Goodwin' game, and not counting it for either side, (as it couldn't be counted for Cairo) it makes Cairo and Paducah tied for first place with 100 games played, 51 won and 49 lost."

"It is now up to the board or committee which hears objections, to settle the matter. That board is composed of Paducah, Clarksville, Vincennes and President Thompson. It is very doubtful that Cairo will get a ghost of a show to get a square deal, as all these clubs have it in on Cairo and President Thompson especially."
"Nothing is said, it will be noted about the games in which Long and Lam played, as these were thought best to drop from notice. If these had been counted, Cairo would be a mile ahead of her Kentucky sister."

WHAT'S THE USE

TO KEEP A "COFFEE COMPLEXION."

A lady says: "Postum has helped my complexion so much that my friends say I am growing young again. My complexion used to be coffee colored, muddily and yellow but it is now clear and rosy as when I was a girl. I was induced to try Postum by a friend who had suffered just as I had suffered from terrible indigestion, palpitation of the heart and sinking spells."

"After I had used Postum a week I was so much better that I was afraid it would not last. But now two years have passed and I am a well woman. I owe it all to leaving off coffee and drinking Postum in its place."

"I had drank coffee all my life. I suspected that it was the cause of my trouble, but it was not until I actually quit coffee and started to try Postum that I became certain; then all my troubles ceased and I am now well and strong again." Name furnished by Postum Co., Battle Creek, Mich.

THE CHAMPIONSHIP ENDS THE SHOOT

Today Many Are at Wallace Park.

The Meet Has Been Most Pleasant But Not Very Well Attended.

GOOD SCORES BEING MADE

With the State Championship Shoot this afternoon the Sixth Annual Tournament of the Paducah Gun Club and the annual meet of the Kentucky Trappers' League will end. The day dawned bright and the weather was cool. The birds were fast. No better conditions could be asked.

It developed this morning that the meeting had not been what was expected. The attendance should have been larger. Tom Marshall, one of the most prominent shooters in the country, said to a Sun reporter that there was no reason why Paducah should not be one of the most famous shooting cities in the country. He stated that when Paducah has a shoot the marksmen count on a fair, great and excellent contest. Consequently they come. This year several prominent shooters are not here because there are other shoots in season and a number did not attend because the price of shells is too high. It costs about 4 cents every time a man shoots. Some times he wastes two shots on one bird, which means 8 cents.

This afternoon the state championship for 1904 will be decided. There are a large number of entries but some were not eligible for the cup. They are shooting for the birds and some for the money, which is to be divided.

Those trying for the state championship are: Brady, Lyons, Ben Starr, Q. Ward, Clay, Kennedy, Carver, Page, Duncan, Mercer, Armstrong, Moses Starr, Beyer, Wilson, Edwards, Anderson, LeCompte, Alexander, the following are shooting for the birds but have no claim to the championship: Money, W. A. Davis, Prigoff, Marshall.

In the first event at seven live birds the scores on straight follow: Ben Starr, Lyons, Wilson, Anderson, Spencer, Q. Ward, Clay, Brady and Carver.

In yesterday's shooting at ten live birds, the following scored: Marshall, 10; Brady, 9; Edwards, 9; LeCompte, 9; Duncan, 10; Ward, 9; Clay, 10; Spencer, 10; Kennedy, 10; Ben Starr, 10; Henry Beyer, 8; Page, 10; Anderson, 10; Davis, 10; Alexander, 8; Wilson, 8.

In the six bird event Marshall got 6; Brady, 5; LeCompte, 6; Duncan, 6; Ward, 6; Clay, 6; Spencer, 6; Kennedy, 4; Ben Starr, 6; Edwards, 4; Hansbro, 4; Money, 6; Moses Starr, 5; Anderson, 6; Page, 5; Wilson, 5; Henry Beyer, 6; Alexander, 4; Armstrong, 5; Prowse, 4, and Davis 5.

Edwards is shooting the most valuable gun on the field. It is loaded with gold and the talk of every shooter. The make is the Charles Daly Diamond Quality.

Tom Marshall is the only member of the All-American Team attending the shoot. This aggregation has been abroad and was never defeated individually or collectively. The team is composed of the following: Marshall, Gilbert, Crosby, Helke, Bndt Elliott, Parmelee, Fanning, Banks, Powers. Marshall was captain of the team. He now wears a watch charm with the inscription of every name of the team. In one year this team has shot in sixty-eight southern cities and in seventeen states within twelve weeks. This included Paducah and the equal shot as the U. M. C. Southern Squad. Marshall says Paducah is the best of them all. "Uncle" Tom is all right.

FOUND SAMPLE CASE.

The grip is at the hall for the owner.

Mineral waters are recognized everywhere as the most efficient, as well as the least injurious, cathartics. Abilina is the best mineral water on the American market. It is The American Natural Cathartic. The recovery of Abilina was a simple revelation of nature. For a long time a test the first well was dug, the water, being unfit for domestic purposes, was not used at all. Practically its afterward disclosed its medicinal properties and the report of its virtue was rapidly disseminated. NAGGING PAINS

Newport News, Va., July 22, 1903.
Last summer while recovering from illness of fever, I had a severe attack of inflammatory rheumatism in the loess, from which I was unable to leave my room for several months. I was treated by two doctors and also tried different kinds of liniments and medicines which seemed to relieve me from pain for awhile, but at the same time I was not any nearer getting well. One day while reading a paper I saw an advertisement of S. S. S. for Rheumatism. I decided to give it a trial, which I did at once. After I had taken three bottles I felt a great deal better, and I still continued to take it regularly until I was entirely cured. I now feel better than for years, and I cheerfully recommend S. S. S. to any one suffering from Rheumatism. 613 3rd St. CHAS. E. GILBERTS, JR.

Rheumatism is caused by uric acid or some other acid poison in the blood, which when deposited in the muscles and joints, produce the sharp, cutting pains and the stiffness and soreness peculiar to this disease. S. S. S. goes directly into the circulation, all irritating substances are neutralized and filtered out of the system, the blood is made pure and the general health is built up under the purifying and tonic effects of the vegetable remedy. Write for our special book on Rheumatism which is sent free. Our physicians will advise without charge all who will write us about their case.

ABCESSSES.

W. H. Harrison, Cleveland, Miss., writes, Aug. 15, 1902: "I want to say a word of praise for Ballard's Snow Liniment. I stepped on a nail, which caused the cords in my leg to contract and an abscess to rise in my knee, and the doctor told me that I would have a stiff leg, so one day I went to J. F. Lord's drug store (who is now in Denver, Colo.) He recommended a bottle of Snow Liniment; I got a 50c size, and it cured my leg. It is the best liniment in the world."

ABCESSSES, with few exceptions, are indicative of constipation or debility. They may, however, result from blows or from foreign bodies, introduced into the skin or flesh, such as splinters, thorns, etc.

NOMINATIONS MADE BY THE DEMOCRATS

One Alderman and Two Council-
men Left Out.

Prof. Frank H. May Defeated For
School Board Nomination By
Dr. Will Gilbert.

ONLY A FEW WERE PRESENT

ALDERMEN—Charles Reed, A. W. Greif, H. M. Orme, H. C. Rhodes.
COUNCILMEN—Al Hymers, E. D. Hannan, J. P. Sleeth, C. M. Smedley, J. P. A. McCarty, Henry McGee.
SCHOOL TRUSTEES—H. R. Robertson, W. J. Gilbert, Thomas Herndon, J. V. Greif, Louis Clark, J. R. Renfro.

A few hundred of Democrats met last night at the county court house to make nominations for the council, board of aldermen and school board, half of each board to be elected this fall.

All the present retiring councilmen except J. S. Jackson and L. D. Watson, all the aldermen except Mr. Gus G. Singleton, and all the members of the school board except Prof. F. E. May, were nominated for re-election.

There was little interest taken in the convention, and it was practically run by one or two men.

Secretary Will Lydon, in the absence of the chairman, called the meeting to order, and Attorney Dave Cross was elected chairman. Mr. Will Lydon was chosen secretary.

Hon. J. Wheeler Campbell made the nominations. Chairman C. W. Morrison, of the Democratic County Committee, wanted a man named Williams nominated for councilman from the First ward, but Mr. Williams was not one of the gang, and he was promptly shelved.

The four councilmen named by Mr. Campbell—Al Hymers, Ed Hannan, C. M. Smedley and James Sleeth, were declared nominated by acclamation.

Mr. Campbell nominated the aldermen, as follows: Charles Reed, A. W. Greif, H. C. Rhodes, and H. M. Orme. These were nominated by acclamation also.

For school trustee Messrs. H. R. Robertson, Will J. Gilbert, Thomas Herndon, J. V. Greif, Louis Clark and J. R. Renfro were nominated by acclamation. Mr. Clark is a new member, and Mr. Gilbert beat Prof. F. E. May for the nomination.

S. A. Reed, Cisco, Texas, writes, March 11th, 1901: "My wrist was sprained so badly by a fall that it was useless; and after using several remedies that failed to give relief, used Ballard's Snow Liniment, and was cured. WAS ROBBED

MAYFIELD MAN NOW HERE TO
GET INDICTMENT.

Mr. E. H. Crawford, of Mayfield, who was robbed of \$32 and a railroad ticket at the Union depot the night Will Hamilton is supposed to have been shot by Special Officer Bailey, of the Illinois Central, while the latter was trying to intercept some alleged robbers, arrived in Paducah this morning to appear before the grand jury and attempt to secure an additional indictment against Hamilton and possibly one other, whom he thinks had a hand in robbing him.

The matter was reported to the police at the time but kept quiet until a clue could be secured. Crawford thinks Hamilton was implicated, but the police who have a description of the alleged thief, say Hamilton and the description given on the night of the robbery by Crawford, do not tally. Crawford will appear before the grand jury this afternoon.

WAS KILLED

MAD HORSE BEGAN BITING
HIMSELF.

The horse which was brought to Dr. C. G. Warner, the veterinary surgeon, yesterday suffering from rabies, was the property of Farmer Dicke, of the Linshards road.

The horse developed such a fierce case, that he had to be killed. Last night the animal began biting himself and eating boards and the case was considered hopeless and Dr. Warner got a shot gun and killed the horse. A pistol failed to do the work.

This is one of the first cases of "mad horse" reported in this city for many years. A clear case of hydrophobia cannot be really cured, but sometimes a mistake in diagnosis is made and for fear of making such a mistake, the horse is kept until the real disease is fully developed.

CONDITIONS BAD

QUARANTINE IS NOT DESIRED
BUT MAY BE ORDERED.

Dr. F. W. Hopkins, the Cairo inspector who has been here looking into the cattle situation, has finished his work and reported to the federal authorities at Washington. A reply is expected in a day or two.

The conditions existing were reported generally bad and while Dr. Warner, local inspector, and Dr. Hopkins both fought against a quarantine of McCracken county, the federal authorities will probably weigh nothing but the actual evidence and this is damaging against the county.

NEXT TUESDAY

HAS BEEN SET FOR THE TRIAL

Moran of the Lady Letty

Jerry Haight had gone to the hotel office for a few moments' rest and a cigarette and was nowhere in sight. But when the set broke and Miss Her- ick, despairing of Jerry, had started out to favor one of the younger en- oughs, she suddenly jostled against him pushing his way eagerly across the floor in the direction of the musicians' platform.

"Oh," she cried, "Mr. Haight, you've missed your chance—I've been looking for you!"

But Jerry did not hear. He seemed very excited. He crossed the floor, almost running, and went up on the platform, where the musicians were mon- ndering softly through the mazes of "La Polona," and brought them to an abrupt silence.

"Here, I say, Haight," exclaimed Hidgeaway, who was near by, "you can't break up my figure like that!"

"I'll give you a little more on the bugle," said Haight rapidly to the cornetist. "Anything to make 'em keep quiet a minute!"

The cornetist sounded a couple of notes, and the cotton pulled in the very act of the break. The shuffling of feet grew still, and the conversation ceased. A dimmed breath had been found, no doubt, or some supper announcement was to be made. But Jerry Haight, with a great sweep of his arm, the forgotten cigarette between his fingers, shouted out breathlessly:

"Hoss Wilbur is out in the office of the hotel!"

There was an instant's silence and then a great shout. Wilbur found! Hoss Wilbur came back from the dead! Hoss Wilbur, hunted for and heartlessly traced from Phoenix Ayres to the south to the Atlantic Islands in the north; Hoss Wilbur, the puzzle of every detective bureau on the coast, the subject of a thousand theories, whose name had figured in the more heads of every newspaper west of the Mississippi; Hoss Wilbur, seen at a fashionable tea and his club of an afternoon, then and then denied out from the world of men, swallowed up and engulfed by the unknown, with not so much as a button left behind; Hoss Wilbur, the outside; Hoss Wilbur, the murdered; Hoss Wilbur, victim of a band of kid- appers, the hero of some dreadful story that was never to be told, the

"Here he comes!"

mystery, the legend included he was there, back from the unknown, drop- ped from the clouds, spewed up again from the bowels of the earth, a verita- ble god from the machine who in a single instant was to disentangle all the unexplained complications of those past winter months!

"Here he comes!" shouted Jerry, his eyes caught by a group of men in full dress and gold lace who came trum- ounding down the hall to the ballroom, bearing a nondescript figure on their shoulders. "Here he comes—the boys are bringing him in here! Oh!" he cried, turning to the musicians, "can't you play something anything? Hit it up for all you're worth! Hidgeaway—Nat look here! Hoss was Yale, y' know. Yale '95. Ain't we enough Yale men here to give him the yell?"

But of all time and time, but with a vigor that made up for both, the mu- sicians banged into a patriotic air, Jerry, standing on a chair that itself was standing on the platform, led half a dozen frantic men in the long thun- der of the "Brahm-kah-kah-kah, co-ax, co-ax."

Around the edges of the hall excited girls, and chaparrans themselves no less excited, were standing up on chairs and benches, spitting their gloves and breaking their fans in their enthusi- asm, while every male dancer on the floor—engaged in their gold faced uniforms and "rover" in starchy and immaculate shirt bosoms—cheered and cheered and struggled with one another to shake hands with a man whom two of their number, old Yale grads, with memories of athletic triumphs yet in their minds, carried into that hall-in, borne high upon their should- ers.

And the hero of the occasion, the center of all this enthusiasm, thus carried as if in triumph into this assem- bly in evening dress, in white tulle and white kid, odorless of delicate

sachets and scarce perceptible per- formances, was a figure unimpaired and unimpaired beyond description. His hair was long and hanging over his eyes; a thick, uncurled beard concealed the mouth and chin. He was dressed in a Chinaman's house and jeans, the latter thrust into slatted and lathered boots. The tan and weather beatings of nearly half a year of the tropics were spread over his face, a partly healed scar disfigured one temple and cheekbone, the hands, to the very finger nails, were gray with grime; the jaws and nose and hands were foul- ed with grease, with oil, with pitch and all manner of the dirt of an un- cared-for ship. And as the dancers of the cotton pressed about and a hun- dred kid gloves stretched to- ward his own palms there fell from Wilbur's belt upon the waxed floor of the ballroom the knife he had so grimly used in the fight upon the beach, the ugly stains still blackening on the hilt.

There was no more cotton that night. They put him down at last, and in half a dozen sentences Wilbur told them of how he had been shanghaied—told them of Magdalena bay, his for- tune in the ambler and the fight with the beachcombers.

"You people are going down there for target practice, aren't you?" he asked, turning to one of the Monterey soldiers in the crowd about him. "Yes? Well, you'll find that the coolies there, on the beach, waiting for you. All but one," he added grimly.

"We marooned six of them, but the seventh didn't need to be marooned. They tried to plunder us of our boat, but, by—, we made it interesting for 'em!"

"I say, steady, old man!" exclaimed Nat Hidgeaway, glancing nervously toward the girls in the surrounding group. "This isn't Magdalena bay, you know."

And for the first time Wilbur felt a genuine pang of disappointment and regret as he realized that it was not.

Half an hour later Hidgeaway drew him aside. "I say, Hoss, let's get out of here. You can't stand here talking all night. Jerry and you and I will go up to my rooms, and we can talk there in peace. I'll order up three quarts of beer, and—"

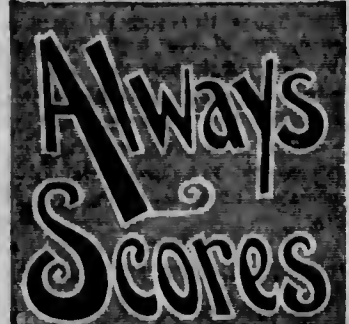

"Up, not your fix?" declared Wilbur. "If you love me, give me a Christian to- bacco."

As they were going out of the ball- room Wilbur caught sight of Josie Her- ick, and, breaking away from the others, ran over to her.

"Hi!" she cried, breathless. "To think, and to think of your coming back after all! No, I don't realize it—I can't. It will take me until morning to find out that you're really come back. I just know now that I'm happier than I ever was in my life before. Oh!" she cried, "do I need to tell you how glad I am? It's just too splendid for words! Do you know, I was thought to be the last person you had ever spoken to while alive, and the re- porters and all—oh, but we must have such a talk when all are quiet again! And our dance—we've never had our dance. I've got your card yet. Re- member the one you wrote for me at the tea? A facsimile of it was publish- ed in all the papers. You are going to be a hero when you get back to San Francisco. Oh, Hoss, Hoss!" she cried, the tears starting to her eyes. "You've really come back, and you are just as good as I am, aren't you—glad that you've come back—come back to me?"

Later on, in Hidgeaway's room, Wil- bur told his story again, more in detail to Hidgeaway and Jerry. All but one portion of it. He could not make up his mind to speak to them—these so- cial fellows, chinmen and city bred—of Moran, whom he was going to order his life henceforward—his life, that he felt to be void of interest without her—he did not know. That was a question for later consideration.

NO KENTUCKIANS ARE ATTENDING THE MEXICAN WAR REUNION

So far as is known no Kentucky veterans are attending the annual reunion of Mex- ican war veterans being held in St. Louis.

Time has so depleted the ranks of the soldiers of this war that few survivors remain to attend annual reunions, and year by year the number becomes ap- preciably smaller.

The call had been issued for Kentucky veterans to leave for St. Louis yesterday but at the appointed time not one of them appeared.

Only 253 survivors and 496 widows of survivors of the Mexican war are now living in Kentucky. During the past year thirteen new names have been ad- ded to the pension list of Mexican war veterans, and 794 of them have been re- moved by death. It is thus apparent that while there were one year ago 1047 Mexican war veterans in Kentucky, there are now only 253.

While the number of Kentucky veter- ans seems small, the statistics in the pension office at the Custom House show

that there is no state in the Union where so many Mexican war veterans live as in Kentucky.

The official tables sent out from Wash- ington show that there are now in the United States only 5211 veterans of the Mexican war on the pension rolls. While there may be a few not drawing pen- sions, still the supposition is that the pension rolls include nearly all the veter- ans. There are only 7831 widows of veterans drawing pensions.

The pension authorities at Washing- ton predict that at the end of the next ten years there will be scarcely any veterans or widows of veterans living, and that the Mexican war pension de- partment will have to be practically abolished.

During the last fiscal year the govern- ment paid out to Mexican war veterans and their widows \$883,380.40. In 1900 more than \$1,000,000 was paid out, and in 1899 the Mexican war veterans drew to pensions more than \$2,000,000.

HESSIG VS. JOHNSON.

Following is the answer of C. W. Johnson in the damage suit of Ida Hessig vs. C. W. Johnson:

The defendant, C. W. Johnson, for answer in the case, comes and says that the statements made by him re- garding the plaintiff, Mrs. Ida Hessig, as set forth in her petition, were un- advised, and while perhaps he did not say just what is alleged, what he did say was said under misapprehension, and that he has learned, after investi- gation, that same was entirely untrue.

And he now admits that the said statements were entirely untrue, and were without foundation. And he says further that if he had made the statements contained in her petition just exactly as stated and alleged therein, that same would have been absolutely untrue; that so far as he is concerned, the plaintiff, Mrs. Hessig, has always conducted herself toward him in a ladylike, modest and upright manner, and he knows of nothing whatever derogatory to her character as a lady, and chaste, faithful wife. He now retracts and apologizes for any and all improper language which he may have used or concerning her.

Wherefore, he asks that he be per- mitted to file this as his answer, and he asks for the leniency of the court and the plaintiff.

C. W. JOHNSON.

The deceased was born near Wal- lonia, in Trigg county seventy-six years ago. In early life he was mar- ried to Miss Mildred Hask, they never had any children. He united with the church at eighteen, ever remain- ing true to his religious vows. He is survived by four brothers and sisters—H. T. Watkins and Mrs. S. C. Bur- ton, of Gracey; G. W. Watkins, of Boone, Wayne county, Texas, and Mrs. M. J. Plemon, of near Wallonia—all of whom, except G. W. Watkins, were present at the funeral.

Mr. Watkins had all his life lived in Trigg county. He was tobacco in- spector in Paducah several years when a young man, but always claimed Trigg as his home.

When he had a long case on the heart no one is much deceived by your hanging out the "dear brother" sign on the lips.

Wakeful?

Sleeplessness Is a Sign of Nerve Trou- ble and Should Be Looked To.

There are three different manifesta- tions of sleeplessness.

First, hardly to sleep a wink all night, second, to lie awake a long time before falling asleep; third, to fall asleep soon, waking up after several hours and then find it hard to sleep again.

They mean that somewhere in the nerve fibres, somewhere in the brain cells, somewhere in the blood vessels that carry blood to the brain, something is radically wrong, and must be righted, or the end may be worse than death.

To right it, take Dr. Miles' Nervine. Some other symptoms of nerve trou- ble are: Dizziness, headache, back- ache, worry, fretfulness, irritability, melancholy, lack of ambition.

They indicate diseases which may lead to Epilepsy, Fits, St. Vitus' Dance, Nervous Prostration, Paralysis, Insanity. Nothing will give such quick and last- ing relief as Dr. Miles' Nervine.

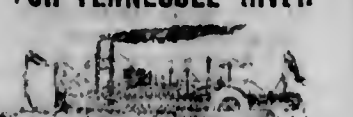

"My husband had been sick for weeks, could not sit up to have his bed made. With all the medical help we could get he continued to grow worse. He could neither sleep or eat. Our baby girl was sent away, and all cases here, be- cause he could not stand a bit of talk- ing, I read of a case of nervous pro- stration cured by Dr. Miles' Nervine. We began giving it to him, and in a few days he was able to be dressed. From that time he steadily improved. Nervine saved his life."

Use Shoffner's Sure Cure

The Great Tonic and Blood Purifier—Cures Indigestion, Dyspepsia and Catarrh.

It is a trite and true saying that the "blood is the life." Now where does the blood come from? Everybody knows, or should know, that it comes from the nutritive elements extracted by the stomach from the food we eat. If the digestive organs do not perform their functions by reason of disease germs, there is no nutrition extracted, and the food might better be thrown in the dump to decay and breed germs in the open air than to remain in the stomach and become a rotten, putrid mass, as it naturally does if there is no digestion. No disease germ can live and find lodgment in a human body that uses the Shoffner's Sure Cure. Price \$1.00.

What People Say of the Shoffner's Sure Cure.

PADUCAH, KY., March 5, 1903.

To Whom It May Concern:

This is to certify that I was a sufferer with indigestion for five years and could get no relief until I bought one bottle of Shoffner's Sure Cure, and it helped me so much that I took six bottles, and I cannot say enough in favor of this won- derful remedy for indigestion.

Mrs. JOHN SMEDLEY, 86 S. Third St.

This is to certify that I believe the Shoffner's Sure Cure saved my life. I was not able to sit up in bed when I began taking the remedy. I had such a severe cough I thought I had con- sumption. Physicians had given me up to die. After taking one bottle I was able to sit up some. After using five bottles I was fully restored to health. I cannot say enough in favor of this won- derful remedy for indigestion.

Mrs. SUE GRAHAM, Moscow, Ky.

If after using one bottle according to directions you are not bene- fited, your money will be refunded.

TWO YEARS

ROUNDED OUT TODAY BY POP-
ULAR I. C. AGENT.

Mr. W. T. Dinneen, special agent of the Louisville division of the Illinois Central, arrived in the city this morning on business.

Today two years ago Mr. Dinneen went to work on the Louisville division of the I. C., as special agent to succeed Mr. William J. Laffey, who was promoted to another position. Mr. Dinneen has made an enviable record and the I. C. has never had a man on this division longer than Mr. Dinneen. That he is giving the best of satisfaction, is established by the fact that he has not been transferred, and it is a compliment to his ability and a tribute to his untiring energy.

Mr. Dinneen has caught more criminals and ferreted out more petty thieves on this division than any other agent and has been a great aid to the local police in many cases.

It is hoped the popular agent will be kept on this division where he has made himself so popular and done so

much good service. Mr. Dinneen came here from the Chicago division.

LEFT THE WATCH

OFFICER GETS ONE IN AN UN-
USUAL MANNER.

Officer Aaron Hurley is wearing a fine gold watch which was presented to him in an unusual way.

"This watch," Officer Hurley explains "was presented by a negro. I was watching the negro at the depot platform and he acted rather queerly whenever I looked at him. I noticed this watch he had and walking over to him took it off his clothes and went over to a light to examine it and see if it had a number and was stolen property. Then I looked up after making the examination I saw the 'coon' making for the woods at the rate of about a mile a minute. I then knew he had stolen the watch or done something, and began to snort to make him stop running.

He didn't care for the bullets and outstripped me. I have never been asked for the watch and still wear it. He can get it by calling for it."

CAR BREAKERS

TWO CAUGHT ON THE EVANS-
VILLE DISTRICT BY OFFI-
CER DINNEEN.

Special Agent W. T. Dinneen, of the Louisville division of the Illinois Central, has just returned from the Evansville division where he caught two alleged car breakers.

W. S. Schwelmer and J. E. Simms are the names of the two men arrested for the alleged robbery of a train when they stole one barrel of beer consigned to Paducah from one of the Evansville breweries. The name of the purchaser of the beer has not been learned and Mr. Dinneen is looking it up while here.

FINE WORK

DONE IN CARRYING THE WALLACE SHOW.

The Great Wallace Shows arrived in Paducah from Martin, Tenn., this morning at 3 o'clock pulled in two sections by the biggest and strongest engines on the system.

The shows exhibited in Martin last night and will show back of the railroad hospital tonight. Tomorrow the show will go to Princeton and then to Central City. At Central City the Sunday lay over will occur and Monday two exhibitions given. The Illinois Central will then turn the Greatest Shows on earth over to the L. & N. road.

The trains were pulled by engines 100's, the big Pacific type of locomotive and 711, a big four-driver connected freight engine. Good time

was made from Martin and before 11 o'clock the entire show had been unloaded, one of the most successful jobs ever engineered in Paducah. Trainmaster Henry Schenning aided in overseeing the unloading and the placement of the cars on sidings and has prepared the show for immediate movement after tonight's performance.

TO BUILD NEW TOOL ROOM.

This morning timber, sash doors, etc., were hauled to the local Illinois Central shop for the erection of the tool room which will be built between the machine and blacksmith shops. The present tool room is located in the machine shops and was removed because more machinery is being installed in the shops and the tool room had to go. The work of building the house will begin at once.

PAINFULLY HURT

MR. FRED BEYER HAS ARM WRENCHED BY MOWER.

Mr. Fred Beyer, the well known farmer of the Clinton road, was painfully injured yesterday at his farm. Mr. Beyer was working with the mower when he fell off the machine and injured his right arm. The member was badly wrenched and bruised and is terribly swollen. The bones were not fractured but the injury is serious. His many friends will regret to learn of the accident.

SPECIAL OFFICER RESIGNS.

Special Officer Dave Cassell, for the Illinois Central's freight yards near the freight depot, has resigned effective October 1st. His successor has not been named. He has for four years been a popular and efficient officer.
